Anno Domini

R E D E E M E R

The Yearbook team would like to thank all members of the student body, photography team, and staff members who took pictures and generously donated them for use in the Yearbook.

Dear Students,

Welcome to this year's edition of Anno Domini, Redeemer's annual yearbook. It's a privilege to be able to share with you the memories of your time at Redeemer.

The assembly of this annual publication is a significant undertaking and I want to commend the yearbook team for the work they have done to put together this yearbook. They have done excellent work and I ask that you join me in thanking them for their service.

A yearbook is an excellent way to look back and reflect on God's faithfulness to us over the year. Hindsight often provides good perspective. We began the year at opening convocation by considering the concept of "Deo Volente", God Willing. We tied that through our chapel services throughout the year as we focussed on the Lord's Prayer petition "Thy Kingdom Come". I hope that as you look back on this past year at Redeemer, you can see God's will for your life becoming more clear and that you have discovered ways in which His Kingdom is coming.

As I reflect on the past year, I am reminded of the many reasons we have to celebrate. We continue to be encouraged by a faithful support community who hold us up in prayer and support us with financial gifts. This year we took time to focus on our thankfulness for the support we receive by celebrating with "The Gratitude Project". I hope that the sense of gratitude we worked to cultivate will remain with each of us whether we continue at Redeemer or move on to the next step on our journey.

We are also grateful for the good experiences of this year. On the sports field, on the stage, in the studio, the lab and in the classroom good things have happened this year. Students have achieved much and we are proud of your accomplishments. We trust that through your experiences of this year, you have grown in wisdom and understanding and knowledge.

Whether you have completed your time at Redeemer or whether you are returning to complete your studies, I want to encourage you with the words of hope found in Psalm 28:7 where we read "The Lord is my strength and shield; my heart trusts in him, and he helps me."

I pray that you will continue to put your trust and confidence in God. He has a plan for each of us and we trust your time at Redeemer has been a part of that plan. And in the years that follow, as you glance through the pages of this book, I hope you will look back with fondness on your time here and the friends you made.

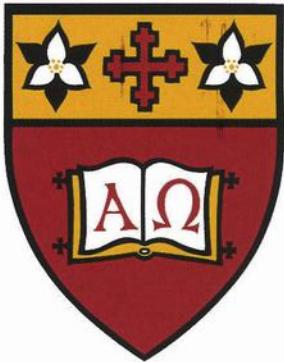

Yours in Christ,
Fred Verwoerd,
Interim President

Decade Dance

Battle of the Buttons

The first annual Battle of the Buttons, held at Redeemer University College in Ancaster on January 13th, saw young musicians raising funds for a local initiative called 541 Eatery & Exchange. Performers ranging in age from fifteen to twenty-three, and in genre from alt-rock to soulful jazz, brought the house down with sharp skills and like minds: entering friendly competition in support of a worthwhile cause.

Student Senate

46

Student Senate is the student government body that represents all students and communicates between students and administration. It provides student services, assists in the formation of policies that affect students, and distributes funding to clubs and the student newspaper and yearbook. Through these services, Student Senate strives to provide students with the opportunity to grow by encouraging student involvement beyond academic experiences.

Redeemer Clubs

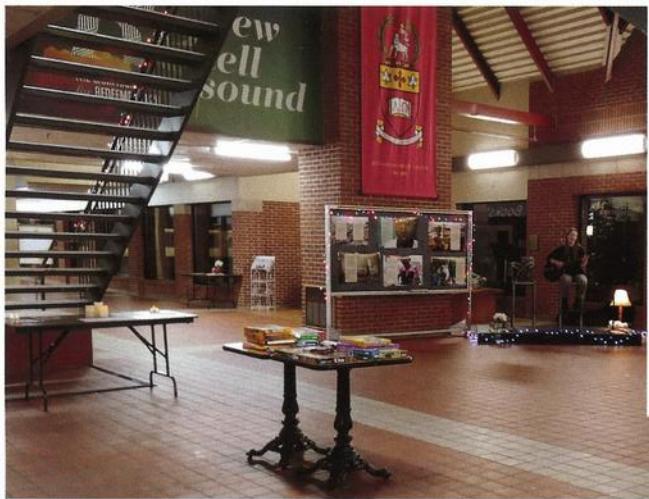

Conservative Club

Redeemer Conservative Club seeks to promote conservative values on campus and in the community as well as support conservative candidates at the federal, provincial, and municipal levels. Hosting speakers, facilitating gatherings, and promoting active involvement in local campaigns and constituencies are the key ways in which the club achieves these goals and contributes to campus life.

The Global Workplace Justice Club

In this club we work to spread awareness about and take action against social injustices, with a focus on workplace injustices. We deal with local and global issues and host information meetings, fundraisers, and conferences.

Improv Club

Improv Club meets twice a week in the black box to play improv games and make stuff up. This year we saw Improv Shows in Guelph and Toronto, and got a professional improviser to teach us the basics!

Redeemer Clubs

Redeemer Royals Mens Hockey

The Redeemer Royals Mens Hockey Team (aka RUC Puck) competed in the annual Tyndale and 2 OCAA tournaments this year, with a few friendly exhibition games mixed in. The Royals were fortunate to have Coach Nick Rotondi from N'ice Stix Hockey for quality training, and enjoyed many exciting matches.

Ski Club

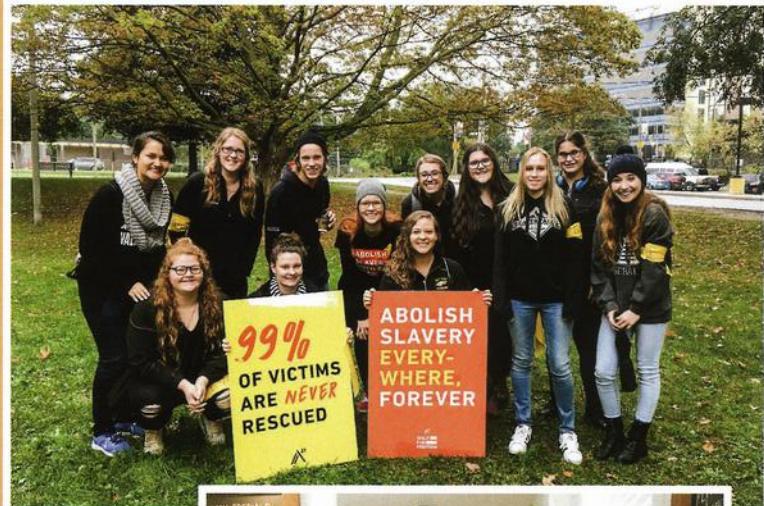

Womens Hockey Club

We are a group of hockey playing ladies who play in the Hamilton Women's League.

Students of Applied Social Sciences

Students of Applied Social Sciences (SOAPS) aims to promote a community of trust, challenge, support, inclusivity, and collaboration among APS students through a variety of events and meetings. We seek the formation of a community where APS students can offer their gifts to one another, provide support, and ultimately network, grow, and further their passions as they pursue a degree in Applied Social Sciences.

The hopeless have
found their hope
The orphans now have a home
All that was lost has found
its place in you

CITB.

Church in the Box (CITB) is a student-led ministry dedicated to uniting the community of Redeemer and surrounding area in worship. It is held monthly and the services involve music, prayer and drama, where a community of believers can come to know God in a more full and real way.

Leave behind your regrets and mistakes
Come today there's no reason to wait
Jesus is calling
Bring your sorrows and trade them for joy
From the ashes a new life is born
Jesus is calling

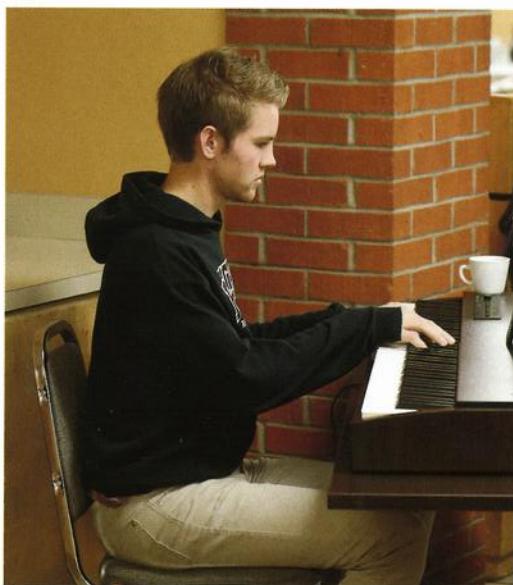

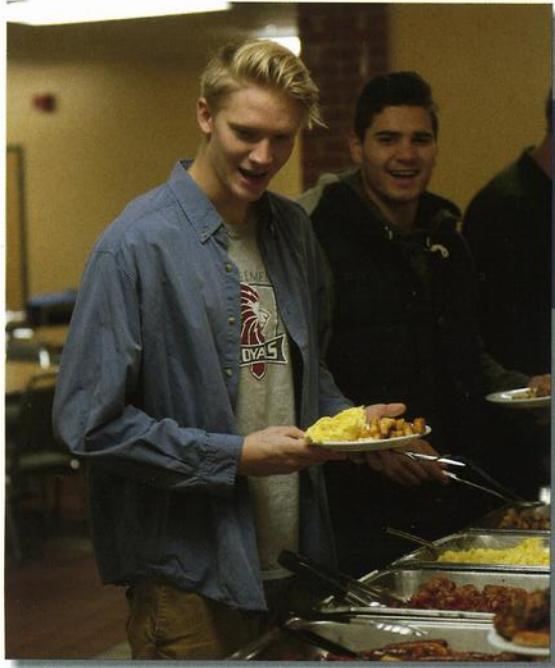

Identify

Women's Ministry

Identify is a community of women who want to find their identity, not in the issues that they face, but rather as the person God has created them to be.

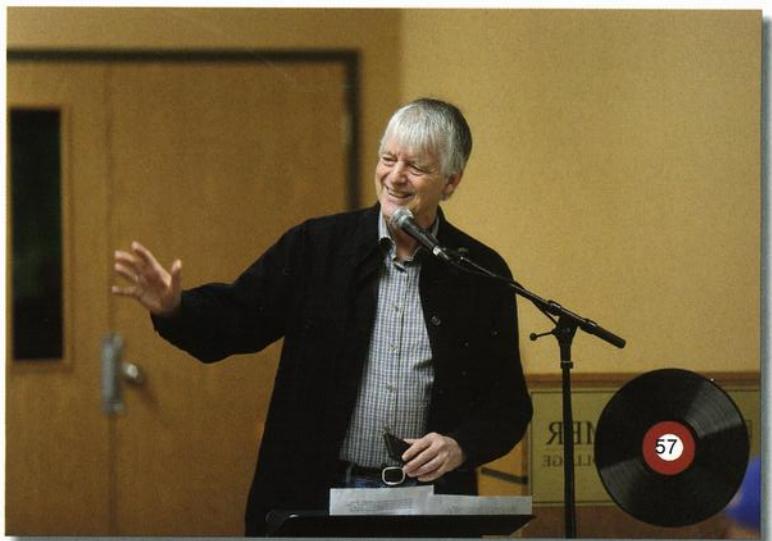

MEN'S BREAKFAST

A TIME OF GOOD FOOD, LAUGHTER, AND
ENCOURAGING WORDS FROM PASTOR EVERETT!

Redeemer's Got Talent!

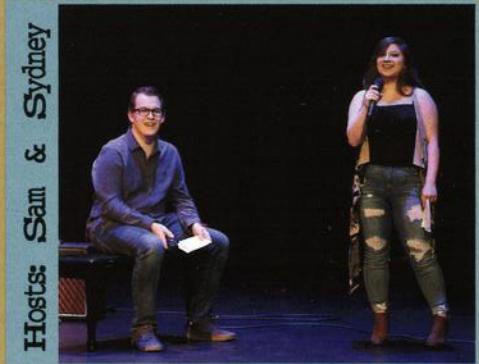

1st

The winner: Anna Bailey

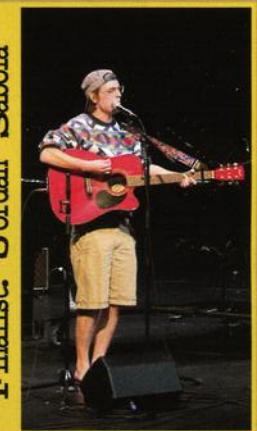

The judges: Dr. Tieuwsen, Professor Busutil, Hennie Schoon, and Dr. Wood

Hosts: Sam & Sydney

Finalists

Finalist: Jordan Sabola

Standing ovation

This was the first year of Redeemer's Got Talent, and it was a great success. There were many different talents showcased through the night, music, singing, dance, and so much more. The judges were amazing as were all the acts. Unfortunately, there is not enough room here to show them all. If you were not there, you really missed out on a great night full of fun.

Coffeehouse

Coffeehouse is an opportunity for Redeemer students to show their talents and God given gifts. It happens once a month on a Thursday evening in the rec center. There can be any number of acts and each time is different from the next. While each time is different, it can be counted on that there will be someone playing guitar and probably someone singing. Sometimes there is a story, sometimes there is a dance, sometimes there's even a sing along. We have some really great talent around this school and this is a great opportunity to show it all off.

Study Abroad

I got to do the two things I love most: study history and travel!

~ Aren Plante

Studying in the lovely city of Montpellier was the best risk I ever took. Though scary and extremely hard, this experience is one that will live on in my memories for years.

-- Amelia Keesman

I fell in love with the French culture and way of life and coming back to Canada, I experienced a tough kind of culture shock where I had to readjust back to life in a place that had remained the same in my absence.

-- Kirsten Klompmaker

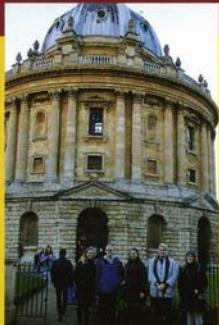

Costa Rica is known for being the greenest and happiest country in the world, yet they have their fair share of pollution and most people live in homes surrounded by bars. It is true that each country has their challenges, but the joy and hospitality I have received over the past two months far outweigh everything else.

-- Amanda Reynaert

The most challenging thing I found about living overseas has been being disconnected from the Redeemer community. Though Oxford University is an impressive school, it lacks a Reformed Christian worldview that I find so meaningful at Redeemer.

-- Aren Plante

In my classes I interacted with students from a variety of backgrounds and heard the different insights (and accents) each one brought. ~ George Wastle

I learned that it's important to keep an eye on the train schedules because the train will leave with or without you on it. ~ Aren Plante

Montpellier will forever be my second home and I look forward to the day that I get to visit there again! ~ Kirsten Klompmaker

From traveling across Europe, trying French cuisine with a glass of wine on the side, to enjoying home cooked meals with my host family and living the day-to-day in another country, it is [an experience] that I will never forget. ~ Amelia Keesman

My perspective of Latin America has definitely changed along the way as we unpacked challenging topics, but it has given me an appreciation for the culture and families here that I will never forget.
